

IDC Director Dr. Levent Koc has paid a visit to Rabbi Jack Bemporad today (July 13th, 2005). They talked about future partnerships and interfaith projects.

They had a long but warm and fruitful conversation. The conversation led them to the idea of several projects, including a conference. They decided to come together again to talk about some more details.

Our Director Dr. Levent Koc presented Rabbi Bemporad a hand made Turkish plate.

Our overseas guest Mr. Orhan Cicek attended the meeting
