

IDC had another iftar dinner with the at Christ Presbyterian Church, Martinsville. IDC extends thanks to Rev. Susan Joseph Rack and congregants for inviting members of Turkish Community.

IDC Central Jersey representative Ferhan Tunagur made presentation about Ramadan before the dinner. All attendants agree that such events are promoting the dialogue between Christians and Muslims. It is in fact very meaningful and touching that Christians invited their Muslim brothers and sisters to their churches.

Below are some pictures of the dinner.
