

IDC members and Millburn Presbyterian Church members came together on a friendship gathering on Sunday March 15, 2009. Friendship Gatherings is IDC's project to bring grass root people together.

IDC members took home made Turkish food to the church. They had the food together during the coffee hour after the mass. Dr. Burcin Ogrenir made a speech on IDC's mission and various activities. Gathering concluded with Q&A.

We thank Rev. Kilgore and Jessica Crane for inviting us to their church and letting us meet the congregation.
