

IDC members and members of several United Methodist Churches came together on a friendship gathering on Tuesday evening on May 5, 2009.

IDC members took home made Turkish food to the church. IDC CEO Levent Koc made a speech on IDC's mission and various activities. Gathering concluded with Q&A. Levent Koc and Dr. Mesut Sahin answered the questions. Turkish Community members asked questions about Christianity, too. Both sides learnt a lot from each other.

We thank Rev. Jonathan Campbell for inviting us and letting us make new friends.
