

Feb 26th 2012, the St. Stephen's Episcopal Church in Beverly NJ, hosted the Peace Islands Institute in a Friendship Gathering. Turkish-Americans from the area brought the homemade traditional refreshments with them. The Friendship gathering started with Reverend Legnani welcome speech and the introduction of PII.

Murat Bayram, South Jersey Representative of PII extended his thanks to the Reverend and to the members of the church for allowing PII to have the opportunity to organize such friendship event. Then, he continued his words with stating that PII values these friendship meetings because of its influence and great impact on mutual understanding that builds long-lasting friendship. He stated that the success of these types of events lies in the sincerity.

We thank Rev Robert Legnani for making this gathering possible
